CELEBRATING 100 YEARS

**Driving Since 1919**

Holts has a long and distinguished past and, with 100 years of experience, we have become a global leader in the car aftercare market.

With sales around the world, Holts has become a truly international business. In 1919, Douglas Holt started our business which prided itself on understanding the car care needs of its customers and developing products which helped their vehicles run better and last longer. Today, Douglas Holts' original values of quality, integrity and service remain at the core of everything we do.

All our products are rigorously tested in our laboratories and on the road to ensure that they perform as they should. Always at the forefront of technology, innovation is fundamental to our thinking so that we anticipate the needs of tomorrow.
