C240M | 12 pack (20 tubes per pack) | .75 oz / 21.2 g Per Tube

## Fast Flush

### The 10-Minute Cooling System Cleaner

- Quickly removes rust & scale
- Safe for all cooling systems
- Cleans radiators & operates cooler & trouble-free

C50 | 12 pack | 12 fl oz / 354 mL

## Stop Leak & Sealer

### The Latest Silicate Technology to Prevent Clogging

- Quickly finds & seals leaks with natural fibers
- Safe for all cooling systems
- Circulates without clogging & is effective on all metals

C52 | 12 pack | 12 fl oz / 354 mL

## Coolant Booster

### Restores Additives to Extend Coolant Life

- Extends coolant life & restores additives contained in a full gallon of quality anti-freeze
- Stops rust & corrosion
- Lubricates water pump seals & moving parts to stop squeaks
- Safe for all cooling systems

C53 | 12 pack | 12 fl oz / 354 mL

# ENGINE & TRANSMISSION 5

## Power Steering Stop Leak

### Sealer, Protector & Conditioner

- Formulated to stop or reduce loss of fluid caused by dry, hard or leaky seals
- Conditions seals to keep them soft and pliable
- Protects from wear and stops squeals
- Compatible with all power steering fluids

C233 | 12 pack | 12 fl oz / 354 mL

## Engine Stop Leak

### Stops Oil Leaks

- Formulated to help reduce or stop oil leaks
- Revitalizes & conditions "dried out" seals & gaskets
- Recommended for gasoline & diesel engines
- Easy to use, just add to oil

C89 | 12 pack | 15 fl oz / 443 mL

## Concentrated Oil Treatment

### Premium Formula

- Fortifies oil; stops oil burning
- Restores compression & lost power
- Quiets noisy lifters, valves & pistons and reduces oil consumption & exhaust smoke

C91 | 24 pack | 15 fl oz / 443 mL

## Gold Concentrated Oil Treatment

### Added Protection with CX3 Technology

- Fights oil breakdown
- Cleans & quiets noisy lifters & valves

C90 | 12 pack | 14 fl oz / 414 mL

# PROFESSIONAL PERFORMANCE TRUSTED THROUGHOUT THE WORLD

📍 = Cyclo Home Offices    🏠 = Cyclo Warehouses    📌 = Cyclo Distributors

For over 50 years, the Cyclo brand of professional quality products has been used in automotive, heavy duty/fleet, industrial, agricultural and marine services. The brand started as a line of service chemicals which was largely sold through traditional warehouse distributors to jobbers and then to professional mechanics and serious do-it-yourselfers. The line is known for its professional quality formulas and superior packaging since the first Cyclo product was introduced - Carb Clean® Fast Gum Cutter.

The array of colors used in Cyclo packaging was originally introduced for the professional, so he could quickly reach for a product without having to read the label. Cyclo products have always been formulated for professionals who use the products as tools to do their jobs quicker, easier and better. One comment heard over and over from mechanics trying products for the first time is that they are amazed at how much quality and effectiveness they can get out of one can.

In 2000, Cyclo acquired the Rally® and No 7® car care brands from the Clorox® Company. The acquisition of these two world-famous appearance brands broadened Cyclo's offering and stature in the aftermarket. Both lines fit perfectly with Cyclo's professional quality products in both performance and quality. In 2003, the additional acquisition of Tanner's Preserve® Leather Care products from Clorox added another category to Cyclo.

Cyclo developed an export business more than 26 years ago and currently has distributor relationships in over 80 countries around the world. In June 2017 Niteo Products, LLC, a portfolio company of Highlander Partners, L.P., acquired Cyclo Industries from Pidilite USA, Inc. and is now part of the family of products that includes Pyroil and the American distribution of Valvoline retail chemicals.

Cyclo products are proudly Made in the USA. The company manufactures an American made product line to ensure their impeccable standards are met. Cyclo is continually researching new formulas and products to bring to dedicated customers who have long depended on Cyclo for the latest developments in strong and effective formulas. Whether it is new VOC compliant formulas or new premium products offering the best and newest innovations, Cyclo is the company that has not only been working for the professional in the past, but will continue to do so in the future.
